EXPLANATORY STATEMENT

Receipt and consideration of Accounts & Reports

A copy of the Annual Report for the financial year ending 30 June 2017 (which incorporates the Company's financial report, reports of the Directors (including the Remuneration Report) and the auditor's report) is not enclosed as there is no longer a requirement for the Company to incur the printing and distribution cost associated with doing so for all shareholders. You may obtain a copy free of charge in hard copy form by contacting the Company by phone at (03) 9692 7222, and you may request that this occurs on a standing basis for future years. Alternatively you may access the annual report at the Company's website: www.argoexploration.com.au or via the Companies announcement platform on ASX. Except for as set out in Resolution 1, no resolution is required on these reports.

Resolution 1: Adoption of Remuneration Report

Background

Section 250R(3) of the Corporations Act requires that a resolution to adopt the Remuneration Report must be put to the vote at the Annual General Meeting. The vote on this Resolution is advisory only and does not bind the Directors or the Company.

The Remuneration Report is set out in the Directors' Report in the Company's 2017 Annual Report. The Remuneration Report sets out the Company's remuneration arrangements for the Directors and senior management of the Company.

In accordance with Section 250SA of the Corporations Act 2001, Shareholders will be provided with a reasonable opportunity to ask questions concerning, or make comments on, the Remuneration Report at the Annual General Meeting.

The Corporations Act requires the Company to put a resolution to Shareholders that the In accordance with Division 9 of Part 2G.2 of the Corporations Act, if twenty five (25%) per cent or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive Annual General Meetings, Shareholders will be required to vote at the second of those Annual General Meetings on a resolution (a "spill resolution") that another meeting be held within 90 days at which all of the Company's Directors (other than the Managing Director) must go up for re-election.

It is noted that at the Company's last Annual General Meeting, the votes cast against the Remuneration Report represented less than twenty five (25%) per cent of the total votes cast and accordingly, a spill resolution will not under any circumstances be required for the Annual General Meeting.

The Directors will consider the outcome of the vote and comments made by Shareholders on the Remuneration Report at the Meeting when reviewing the Company's remuneration policies.

Directors Recommendation

The Directors encourages all eligible Shareholders to cast their votes in favour of Resolution 1 (Remuneration Report).

Voting Exclusions

The Company will disregard any votes cast on this resolution (in any capacity) by or on behalf of a member of the Key Management Personnel (being those persons described as such in the Remuneration Report) or a closely related party of such a member unless the vote cast as proxy for a person entitled to vote in accordance with a direction on the proxy form.

Any undirected proxies held by Directors or other Key Management Personnel or their closely related parties for the purposes of Resolution 1 (excluding the Chairman) will not be voted on Resolution 1. Accordingly, if you intend to appoint a member of Key Management Personnel as your proxy, please ensure that you direct them how to vote. The Chairman will vote undirected proxies in favour of Resolution

Resolution 2: Re-election of Mr Christopher Martin as a Director of the Company

Background

The Constitution of the Company requires that at every annual general meeting, one-third or the next highest number nearest one-third of the Directors, shall retire from office and provides that such Directors are eligible for re-election at the meeting. Mr Martin has been a Director since February 2013. He retires by rotation and, being eligible, offers himself for re-election.

Mr Martin has a Bachelor of Business (Banking & Finance), and over 20 years' experience in the equities markets. He has acted as an independent consultant to Argo Exploration Ltd since its inception.

Directors Recommendation

The Board (with Mr Martin abstaining), recommends that shareholders vote in favour of the re-election of Mr Martin. The Chairman of the meeting intends to vote undirected proxies in favour of Mr Martin's re-election.

Voting Exclusions

There are no voting exclusions on this resolution.

Resolution 3: Renewal of Proportional Takeover Bid provision in the Constitution

Clause 36 of the Company's Constitution contains provisions dealing with member approval requirements if there was to be any proportional takeover bids for the Company's securities (Proportional Bid Provisions).

A "proportional takeover bid" means an off-market bid for a specified proportion of the Company's securities held by each shareholder in a class for which a takeover bid has been made. It is not a bid for all securities held by all members of that class, only part of the securities each holds.

Part 6.5 Subdivision 5C of the Corporations Act provides that these Proportional Bid Provisions cease to apply at the end of 3 years from their adoption (or last renewal), but that they may be renewed by special resolution of the members. The Board believes it is appropriate that the Proportional Bid Provisions of the Company's Constitution (Clause 36) be renewed.

In seeking the members' approval for the renewal of the Proportional Bid Provisions, the Corporations Act requires the below information to be provided to members.

Effect of provisions proposed to be renewed

Clause 36 of the Constitution provides where offers have been made under a proportional off-market bid in respect of a class of securities of the Company ("bid class securities"), the registration of a transfer giving effect to a contract resulting from the acceptance of an offer made under the proportional off-market bid is prohibited unless and until a resolution (in this clause 36 referred to as a "prescribed resolution") to approve the proportional off-market bid is passed in accordance with the provisions of this Constitution.

A person (other than the bidder or a person associated with the bidder) who, as at the end of the day on which the first offer under the proportional off-market bid was made, held bid class securities is entitled to vote on a prescribed resolution and, for the purposes of so voting, is entitled to one vote for each of the bid class securities.

A prescribed resolution is to be voted on at a meeting, convened and conducted by the Company, of the persons entitled to vote on the prescribed resolution.

A prescribed resolution that has been voted on is to taken to have been passed if the proportion that the number of votes in favour of the prescribed resolution bears to the total number of votes on the prescribed resolution is greater than one half, and otherwise is taken to have been rejected.

Reason for the resolution

Clause 36 of the Constitution is required to be renewed as more than 3 years have passed since the last renewal of the Constitution. Section 648(G)(1) of the Corporations Act provides that Proportional Bid Provisions such as provided in Clause 36 cease to apply at the end of 3 years from their adoption (or their last renewal). Section 648(G)(4) enables the members to approve a renewal of Proportional Bid Provisions.

The Directors believe that the members should continue to have the choice of considering whether to accept a bid for what might become control of the Company without the members having the opportunity to dispose of all of their securities (rather than just some of their securities, as would be the case under a proportional takeover bid). To preserve this choice, Clause 36 needs to be renewed. If Clause 36 is renewed and any proportional takeover bid (if any) is subsequently approved by members, each member will still have the right to make a separate decision whether that member wishes to accept the (proportional takeover) bid for their own securities.

Awareness of current acquisition proposals

As at the date of these Explanatory Notes, none of the Directors are aware of any proposal for any person to acquire (or increase the extent of) a substantial interest in the Company from its current level.

Advantages and disadvantages of the Proportional Bid Provisions since last renewed

As there have been no takeover bids made for any of the shares in the Company since the last renewal of the Proportional Bid Provisions, there has been no application of Clause 36. It may be argued that the potential advantages and disadvantages described below have also applied for the period since adoption of Clause 36.

Potential advantages and disadvantages of the proposed resolution for both directors and shareholders

An advantage to the directors of renewing the Proportional Bid Provisions is that the Board will be able to assess the member's acceptance or otherwise of a proportional takeover bid should one be made.

As stated above, renewing Clause 36 provides the members with the choice of considering whether to accept a bid for what might become control of the Company without the members having the opportunity to dispose of all of their securities (rather than just some of their securities, as would be the case under a proportional takeover bid). If Clause 36 is not renewed, members will not have this opportunity.

On the other hand, it may be argued that the renewal of Clause 36 may make proportional takeover bids more difficult to succeed and therefore effectively discourage proportional takeover bids being made and reduce the freedom for members to sell some of their securities.

Voting Exclusions

There are no voting exclusions on this resolution.

Directors Recommendations

Balancing the above advantages and disadvantages, the Directors are of the view that the advantages of renewing the Proportional Bid Provisions outweigh any disadvantages and unanimously recommend the renewal. Accordingly, Shareholder approval is sought pursuant to this Resolution 4.

The Chairman in his capacity as proxy holder intends to vote undirected proxies in favour of approving this Resolution 3.

Resolution 4: Approval of 10% Placement Facility

Background

Listing Rule 7.1A enables eligible entities to issue Equity Securities up to 10% of its issued share capital through placements over a 12 month period after the Annual General Meeting ("10% Placement Facility"). The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity.

The Company is now seeking shareholder approval by way of a special resolution to have the ability to issue Equity Securities under the 10% Placement Facility.

The exact number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (see below).

The Company continues actively seeking to increase work on assets and reviewing new potential projects and investments. Should the Company utilise the 10% Placement Facility, it intends to use the funds to acquire new resource assets or investments, to conduct further work on its current projects or to meet additional working capital requirements.

Board Recommendation

The Board unanimously recommends that Shareholders vote in favour of Resolution 4.

Voting Exclusions

The Company will disregard any votes cast on Resolution 4 by any person who may participate in the proposed issue or any person who might obtain a benefit, except a benefit solely in the capacity of a holder of ordinary shares, and any associate of such person.

Description of Listing Rule 7.1A

(a) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an Annual General Meeting. This means it requires approval of 75% of the votes cast by shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate shareholder, by a corporate representative).

(b) Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

The Company, as at the date of the Notice, has on issue one class of Equity Securities being Fully Paid Ordinary Shares.

(c) Formula for calculating 10% Placement Facility

Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an Annual General Meeting may issue or agree to issue, during the 12 month period after the date of the Annual General Meeting, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

A is the number of shares on issue 12 months before the date of issue or agreement:

- (A) plus the number of fully paid shares issued in the 12 months under an exception in Listing Rule 7.2;
- (B) plus the number of partly paid shares that became fully paid in the 12 months;
- (C) plus the number of fully paid shares issued in the 12 months with approval of holders of shares under Listing Rules 7.1 and 7.4. This does not include an issue of fully paid shares under the entity's 15% placement capacity without shareholder approval;
- (D) less the number of fully paid shares cancelled in the 12 months.

Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under Listing Rule 7.1 or 7.4.

(d) *Listing Rule 7.1 and Listing Rule 7.1A*

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

At the date of this Notice, the Company has on issue 182,970,000 Shares and therefore has a capacity to issue:

- (i) 27,445,500 Equity Securities under Listing Rule 7.1; and
- (ii) subject to Shareholder approval being obtained under Resolution 4, 18,297,000 Equity Securities under Listing Rule 7.1A.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2

(e) *Minimum Issue Price*

The issue price of Equity Securities issued under Listing Rule 7.1A must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 trading days immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 5 trading days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(f) *10% Placement Period*

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A is valid from the date of the Annual General Meeting at which the approval is obtained and expires on the earlier to occur of:

- (i) the date that is 12 months after the date of the Annual General Meeting at which the approval is obtained; or
- (ii) the date of the approval by shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

(10% Placement Period).

Listing Rule 7.1A

The effect of Resolution 4 will be to allow the Directors to issue the Equity Securities under Listing Rule 7.1A during the 10% Placement Period without using the Company's 15% placement capacity under Listing Rule 7.1.

Resolution 4 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

Specific information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

- (a) The Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Company's Equity Securities over the 15 trading days immediately before:
 - (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
 - (ii) if the Equity Securities are not issued within 5 trading days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

- (b) If Resolution 4 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the below table. Shareholders may be exposed to economic risk and voting dilution, including the following:
- (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Annual General Meeting; and
 - (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date or the Equity Securities are issued as part of consideration for the acquisition of a new asset,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The below table shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A(2) as at the date of this Notice.

The table also shows:

- two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Variable 'A' in Listing Rule 7.1A.2		Dilution		
		\$0.017 50% decrease in Issue Price	\$0.034 Issue Price	\$0.068 100% increase in Issue Price
Current Variable A 182,970,000 Shares	10% Voting Dilution	18,297,000 Shares	18,297,000 Shares	18,297,000 Shares
	Funds raised	\$311,049	\$622,098	\$1,244,196
50% increase in current Variable A 274,455,000 Shares	10% Voting Dilution	27,445,500 Shares	27,445,500 Shares	27,445,500 Shares
	Funds raised	\$466,574	\$933,147	\$1,866,294
100% increase in current Variable A 365,940,000 Shares	10% Voting Dilution	36,594,000 Shares	36,594,000 Shares	36,594,000 Shares
	Funds raised	\$622,098	\$1,244,196	\$2,488,392

The table has been prepared on the following assumptions:

- The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
- No Options (including any Options issued under the 10% Placement Facility) are exercised into Shares before the date of the issue of the Equity Securities;
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Annual General Meeting.
- The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
- The issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes Options, it is assumed that those Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
- The issue price is **\$0.034** (3.4 cents), being the closing price of the Shares on ASX on **13 October 2017**.

- (c) The Company will only issue and allot the Equity Securities during the 10% Placement Period. The approval under Resolution 4 for the issue of the Equity Securities will cease to be valid in the event that Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities or Listing Rule 11.2 (disposal of main undertaking).
- (d) The Company may seek to issue the Equity Securities for the following purposes:
 - (i) non-cash consideration for the acquisition of the new assets and investments. In such circumstances the Company will provide a valuation of the non-cash consideration as required by Listing Rule 7.1A.3; or
 - (ii) cash consideration. In such circumstances, the Company intends to use the funds raised towards an acquisition of new assets or investments (including expense associated with such acquisition) and continued exploration expenditure on those assets and/or general working capital.
- (e) The Company will comply with the disclosure obligations under Listing Rules 7.1A(4) and 3.10.5A upon issue of any Equity Securities.

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- (i) the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing security holders can participate;
- (ii) the effect of the issue of the Equity Securities on the control of the Company;
- (iii) the financial situation and solvency of the Company; and
- (iv) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.

Further, if the Company is successful in acquiring new resources assets or investments, it is likely that the allottees under the 10% Placement Facility will be the vendors of the new resources assets or investments.

- (f) A voting exclusion statement is included in the Notice. At the date of this Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the Equity Securities. No existing Shareholder's votes will therefore be excluded under the voting exclusion in the Notice.

HOW TO COMPLETE THIS SHAREHOLDER PROXY FORM

**IF YOU WOULD LIKE TO ATTEND AND VOTE AT THE MEETING, PLEASE BRING THIS FORM WITH YOU.
THIS WILL ASSIST IN REGISTERING YOUR ATTENDANCE.**

CHANGE OF ADDRESS

Your address as it appears on Company's share register. If this information is incorrect, please make the correction on the form. Shareholders sponsored by a broker should advise their broker of any changes.

APPOINTMENT OF A PROXY

If you wish to appoint the Chairman as your proxy, mark the box in Step 1. If you wish to appoint someone other than the Chairman, please write that person's name in the box in Step 1. A proxy need not be a shareholder of the Company. A proxy may be an individual or a body corporate. If you leave this section blank, or your named proxy does not attend the meeting, the Chairman will be your proxy.

DEFAULT TO THE CHAIRMAN OF THE MEETING

If you leave Step 1 blank, or if your appointed proxy does not vote on a poll in accordance with your directions or does not attend the Meeting, then the proxy appointment will automatically default to the Chairman of the Meeting, who is required to vote the proxies as directed.

VOTING DIRECTIONS – PROXY APPOINTMENT

You may direct your proxy on how to vote by placing a mark in one of the boxes opposite each item of business. All your shares will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any item by inserting the percentage or number of shares you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on a given item, your proxy may vote as they choose to the extent they are able. If you mark more than one box on an item, your vote on that item will be invalid.

PROXY VOTING BY KEY MANAGEMENT PERSONNEL

If you wish to appoint a Director (other than the Chairman) or other member of the Company's key management personnel, or their closely related parties, as your proxy, you must specify how they should vote on Item 1, by marking the appropriate box. If you do not, your proxy will not be able to exercise your vote for Item 1.

PLEASE NOTE: If you appoint the Chairman as your proxy (or if they are appointed by default) but do not direct them how to vote on an item (that is, you do not complete any of the boxes "For", "Against" or "Abstain" opposite that item), you will be expressly authorising the Chairman to vote as they see fit on that item.

APPOINTMENT OF A SECOND PROXY

You are entitled to appoint up to two persons as proxies to attend the meeting and vote on a poll. If you wish to appoint a second proxy, an additional Proxy Form may be obtained by telephoning Advanced Share Registry Limited or you may copy this form and return them both together.

To appoint a second proxy you must:

- On each Proxy Form state the percentage of your voting rights or number of shares applicable to that form. If the appointments do not specify the percentage or number of votes that each proxy may exercise, each proxy may exercise half your votes. Fractions of votes will be disregarded; and
- Return both forms together.

CORPORATE REPRESENTATIVES

If a representative of a nominated corporation is to attend the meeting the appropriate "Certificate of Appointment of Corporate Representative" should be produced prior to admission in accordance with the Notice of Meeting. A Corporate Representative Form may be obtained from Advanced Share Registry.
